it's how you want to work

This is the series that brings living space and workplace together. Designs and colours to match the decor of home or any office. Totally flexible with generous storage, these units are ideal in any space for any function. All manufactured the same depth for greater storage options. All units have a kickboard base with 160mm Kase handles.

All dimensions are in millimetres and are overall.

While a standard range is shown above, it is possible to make small variations to fit your specific needs. Ask your salesperson for a quote.
