

The new easyglide cabinet with Melteca/Melamine exterior carcass, Silver PVC tambour. Pricing includes pullout workslide as standard...
Optional accessory Toast-rack.

- **Strong and solid construction** - the easyglide cabinet offers the proven strength of a melteca exterior finish and solid timber shelves.
- **Security** - all cabinets have locking doors. This ensures maximum security for all your files, equipment and supplies.
- **Flexibility** - as with all Lundia products, a range of accessories makes your cabinet work to its fullest potential. Shelves can be adjusted at 25mm increments, and adjustable feet allows for uneven floors.
