## 130 Tall Tables

Tall tables are a very firm favourite with the children in an Innovative Learning Environment. The children sit, perch or lean on the tables and these are great for children working in small groups and for all collaborative learning.

- 18mm Melteca tops
- Frame with heavy duty rails and 51mm round legs
- Any table shape can be made into a "Tall" table

### Optional Extras

- Whiteboard tops

Optimise your storage with a practical and useable storage system, customised to your individual needs. We have a range of cabinet bases that include cupboards, drawers, cube crates & tote trays which enhance your unit, with the upper levels having adjustable shelving, hiding behind the sliding whiteboards.

Pick the sizes you require to make up the overall measurement, keeping this within the 1800, 2400, & 3600mm lengths. All units are 2000 high x 400 deep with the interior shelf depth in the top section 290mm. Some of the width sizes may vary depending on your combinations. Now also the option for the 600 deep cabinets.

The cabinet incorporates aluminium framed sliding whiteboards that have a porcelain surface, complete with a Forever Surface guarantee. You can also upgrade for the new e<sup>3</sup> duo ceramic steel.

This is a modular system that can be shipped throughout NZ, and very easily assembled on site.

## 180A Summit Chair

# We welcome to our range the new Summit Chair

This chair is a multi-functional chair that is available as a chair, a gas lift & an architectural gas lift.

The seats have a comfortable flexible back which offers our children the "wriggle" feature that is so important in the ILE environment. Complete with a 25mm x 1.6mm heavy duty steel frame this makes this chair a leading contender for our ILE in New Zealand Schools.

This chair comes with 3 different size seat shells which include:

Sizes	heights	Seat size	Overall width
Year 1-2	310mm	340w x 320d x 320h (Small)	395mm
Year 3-4	360mm	400w x 400d x 390h (Medium)	450mm
Year 5-6	400mm	400w x 400d x 390h (Medium)	450mm
Year 7-13	450mm	440w x 415d x 420h (Large)	490mm

This year 3-6 size chair has a more generous seat size to suit our diverse population of children whom seem to be getting bigger with each generation.

## 180B Standard Gas Lift Chairs

Colours	Shell size	height ranges	
FUCHSIA	Medium	430 – 550mm	<b>\$110</b>
BLUE	Large	430 - 550mm	<b>\$120</b>
LIME			

BLACK (large size only)

All chairs are available in the 3 colours and we have also added Black into the Senior chair range.

#### Optional Extras

- Whiteboard tops
- Adjustable legs  
- 530 - 625 - 685 - 725mm
- With 4 locking castors

## 163 Switch Tables

Switch tables says it all. Switch them, change them, move them. These tables give you the more traditional classroom table with the curves giving them a more modern look. These tables are great using in groups of 2, 3, 4 & 6 tables. Two tables gives you the "group stand-alone table" but with the flexibility of joining them together with more tables or using these as a smaller stand-alone table. A great addition to an Innovative Learning Environment.

**A** - 800 x 800 **Year 1-6**  
**B** - 1000 x 1000 **Year 7-13**

	KK	C	WB

<b>B</b>	\$195	\$210	\$265

#### Optional Extras

- Whiteboard tops
- Adjustable legs  
- 530 - 625 - 685 - 725mm
- With 4 locking castors

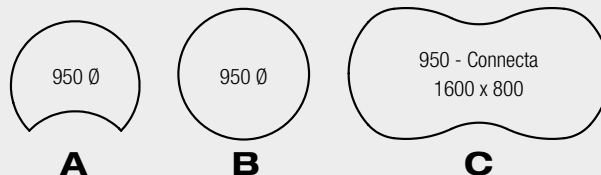

## 168 Omega Tables

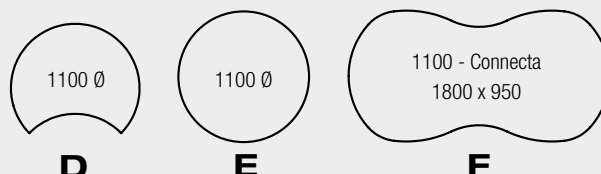

The Omega tables are a very popular option for an Innovative Learning Environment and it gives flexibility to change the shape to suit different tasks during the day. Now with the new Connecta table, you can also make up conference style seating. The Connecta table teamed up with a set of Omega tables gives you flexibility in the classroom and also gives you back the "group stand-alone table"

#### Optional Extras

- Whiteboard tops
- Adjustable legs  
- 530 - 625 - 685 - 725mm
- With 4 locking castors

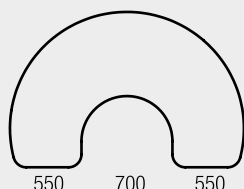

## 162 Horse Shoe Tables

A must for every Innovative Learning Environment. These are great for working with small groups of children within the classroom learning spaces. Is popular to have a whiteboard top on the horseshoe table. We also like to be looking at the teachers sitting position and we mostly supply the teacher a gas lift chair that supports and looks after their backs and well-being. This means that in the year 1 -4 rooms, we like to recommend using the 625h table with the 400h MLE stools, Move 'n' Rock stools or Cube stools. This means the children are sitting at a slightly higher seat, but the teacher is also comfortable. Is a "happy medium". This replaces the traditional teacher's desk and team it up with a Teachers work podium and this becomes a practical teaching space for the children and teachers.

1800 x 1200 x height required

- 18mm Melteca tops
- Solid 2mm PVC edges
- 32mm round steel legs
